

## Blue Area (ZONES G and F, not H or P)

Display the pass on the dashboard of the car.

Check the letter on the sign (G or F)

Parking areas in Genoa are divided into White Areas (free parking spaces) and Blue Areas (paid parking spaces).

The Blue Areas, in turn, are divided into

- "Zona Residenti" free for residents, marked with a letter from A to M
- "Isola Azzurra" paid parking for all, marked with the letter P
- Private parking facilities

On Via Caffaro there are some white parking spaces at the top of the street, under Ponte Caffaro bridge, and several blue parking spaces.

We can provide a pass (€5 per day) that allows parking in the Blue Area for residents, which also extends to the neighboring areas marked with the letters **G** and **F** (see sign image above) but **NOT** in the H area nor in the "Isola Azzurra" areas marked with the letter P.

A detailed explanation is available on the [Genova Parcheggi](#) website
